Volume 2-2018

Dear Property Owners,

Hello from the first newly elected Board of Directors for Harmony Township.

We have already started to make needed improvements around the neighborhood. New Street signs have been installed. Members of your Board volunteered their time to install them to help save money and help build community spirit. As more things are done in the future we hope that you will volunteer with these projects. The analysis of our account with Santee Electric has been completed. This effort will save on our cost for street lights as well lighting areas that needed it. The entrance sign is scheduled for clean up also.

The second volunteer cleanup of the docks was done the week of April 2nd thru 7th. Cleaning was done 2nd thru 6th with a community picnic on the 7th. The first dock cleanup last October was very successful in making our docks more inviting to use for fishing, walks or just enjoying a beautiful sun set. Please visit the marina website at <https://friendfieldmarinasc.wixsite.com/friendfieldmarinasc> The Fall Marina Event is planned for October 15th thru 20th. With the picnic being on the 20th.

We now have another new home in the works. I would like all of you wish a warm welcome to Steve and Jessica Avinger. Other homes are already being planned for 2018 so if you have been thinking of building now may be a good time to get started. There are Two builders working in Harmony Township so far Poulin Custom Builders, LLC Phone: 843-357-3199 and Beverly Homes and The Beverly Group Phone: 843-236-4663.

We will be planning more projects in the future for our community, but without your financial support we will be limited as to what we can be do. The future of our community is up to all of us working together. We are looking for a new Developer for Harmony Township suggestion are welcome.

We still need contact information for many of you, an email address and phone numbers. So, we can update our files and keep you informed about your community. Please go to the Harmony Township web page and update your information.
